

WYVERN COLLEGE IMPROVEMENT PRIORITIES 2015-16

Wyvern College - A Voluntary Aided Church of England school—aims to raise further academic aspiration and achievement at all levels, promoting the personal development of students and the professional development of staff. Actions below apply to both staff and students and further the collective values of courage, compassion and commitment.

KEY PRIORITY—RAISE ATTAINMENT AT GCSE THROUGH CONSISTENT, DETERMINED AND MEASURABLE ACTION

There are no monies identified to these development headlines; Wyvern College will use all resources, human and other, including training, to achieve the above. Departmental and pastoral plans will be drawn from these stated objectives involving all teachers in their preparation and delivery.
